# Training and Matchday Pitch Booking Process

**League, Cup and Friendly Matches**

## 1. Submit a Pitch Request

All teams must email teams@mortoncommunity.net at least one week before their fixture. Please include the following information:

- Team
- Coach contact name
- Match type (league, cup or friendly)
- Opposition
- Preferred pitch or pitches
- Date
- Preferred start time or times
- Duration

Please list your preferred pitches and times in priority order.

## 2. Pitch Confirmation

Blair will confirm pitch allocations no later than Monday afternoon or evening. If additional pitches are required because of high demand, confirmation will be provided by Wednesday afternoon.

## 3. Pitch Size and Duration for League and Cup Matches

Pitches are allocated according to each team's league match format. For example, a 9-a-side team will receive a full pitch for a maximum of 1 hour 30 minutes.

For cup matches that may include extra time and penalties, a full two-hour slot will be allocated.
This approach helps Morton in the Community (MiTC) manage pitch hire costs effectively and reinvest funds into teams.

## 4. Friendly Match Booking and Payment

The same booking process applies to friendly matches. Once your pitch has been confirmed, payment must be made to MiTC using the details below.

**Payment details**
Bank: Virgin Money
Account name: Morton in the Community
Account number: 82-11-07
Sort code: 20579141
Reference: Team name
