

Training & Matchday Pitch Booking Process League, Cup & Friendly Matches

1. Pitch Request Submission

All teams must email teams@mortoncommunity.net at least one week prior to their fixture with the following details:

- **Team:**
- **Coach Contact Name:**
- **Match Type: (League / Cup / Friendly)**
- **Opposition:**
- **Preferred Pitch(es):**
- **Date:**
- **Preferred Start Time(s):**
- **Duration:**

Please list pitch and time preferences in priority order.

2. Pitch Confirmation

- Pitch allocations will be confirmed by Blair no later than Monday afternoon/evening.
- Where additional pitches are required due to high demand, confirmation will be provided by Wednesday afternoon.

3. Pitch Size & Duration (League & Cup Matches)

Pitches are allocated in line with the team's **league match format**.

- Example: A **9-a-side team** will be allocated a full pitch for a maximum of **1 hour 30 minutes**.
- For cup matches that may include extra time and penalties, **a full 2-hour slot will be allocated**.

This approach helps **Morton in the Community (MiTC)** manage pitch hire costs effectively, allowing for reinvestment into teams.

4. Friendly Match Pitch Booking & Payment

The same booking process applies for **friendly matches**.

Once your pitch is confirmed, **payment must be made to MiTC using the details below:**
