

EFCFC Talent Development Player Programme Application Form

Dear Parent/Guardian,

East Fife Football Community Football Club's goal is to create a new exciting club only structured player centered development programme to cater for all levels of ability. We will use a holistic football programme to educate, nurture and prepare the players for the demands of the modern game following a clear player pathway that is tiered to suit all levels of ability.

The Player Development Programme's aim is to create a programme which is attractive to players, parents, and coaches. It will be professionally run, informative and have professional, friendly and approachable staff which players and parents can relate to.

We firmly believe in giving all players within the club the opportunity to reach their full potential by receiving a high standard of coaching and practice that strives for excellence in all aspects of player development. The emphasis is on long term development, creating the culture and environment which allows individual development and improvement. The Player Development Programme will enable the all-round development of every young player to take place and will include the social, academic and technical aspects of personal development.

East Fife CFC new player development programme will be a tiered structure (see below), to create a pathway for players to learn, develop and continually be challenged within their environment but also creating an opportunity to progress through the levels 1-3. (Attached PDP Document PDF).

All sessions will be run by UEFA/SFA Licence qualified coaches who have been enhanced disclosure checked (PVG), by Disclosure Scotland. The training schedule of times, venues and costing for each programme is attached below. (Attached Training Schedule Form).

If your son/daughter wishes to apply to be part of the club's new player development structure or requires more information regarding the programmes, please complete the following application either on My Club Hub or send an email to Andy Payne - Andy.Payne@efcfc.co.uk or

Alan Lowe - Alan.Lowe@efcfc.co.uk to register your interest.

Kind Regards,

Andy Payne
EFCFC Football Development Officer
