

## **Provision of GAFC Kit**

All kit provided to players and officials of Glenrothes Athletic Football Club during their time at the club remains the property of the club and must be returned to the club if / when the player / official leaves.

Any kit not returned, or kit being returned damaged, may result in an invoice being sent for the replacement of the kit.

If a player leaves the club their registration with Glenrothes Athletic on the SYFA registration system will not be cancelled until all kit has been returned and / or any outstanding monies are paid to the club. This is in line with SYFA guidelines.
