Location:	Hybrid (home matches at Meggetland stadium & away matches are held in the Lothians and Fife) <i>Note: lift sharing opportunities and travel expenses can be discussed dependant on candidate home location</i>
Salary:	Agreed hourly rate dependant on qualifications

Responsibilities

- *Provide physiotherapy cover during 1st Team matches including emergency on-pitch care/treatment when required*
- *Liaise with 1st Team Manager and assistant coaches, as appropriate to assess players health status and contribute to informed decision making on players fitness and readiness to play or be able to continue playing*
- *Work with other staff members of the 1st Team including the Lead Club Physiotherapist as required*
- *Complete agreed forms where there may be a passing of information to the Lead Physiotherapist*
- *Travel to away matches will be required*
- *Opportunities may arise to pick up additional hours if desired by providing physio cover of players during evening training sessions and other Youth teams high profile matches*

About the role

Tynecastle Football Club are looking for a Physiotherapist/Sports Therapist who will provide pitch-side cover for our 1st team matches, ensuring appropriate assessment and treatment of injuries is provided to players.

Who is this role suitable for?

This role is applicable to those who are suitably qualified or are currently seeking degree qualification by way of an Undergraduate Degree in Physiotherapy or are a registered HCPC Physiotherapist or member of The Society of Sport Therapists. A valid pitch side care qualification would also be required.

This role requires regular contact with players under the age of 18 therefore it is required by law to have a PVG check and complete the SFA Child Wellbeing Course.

Key soft skills

Committed | Team Player | Strong communicator | self-starter
